OBJECTIVE

First-year college student seeking an internship in programming to enhance knowledge of computer science.

EDUCATION

University of Massachusetts, Boston

Anticipated graduation date: May, 2020

SKILLS

Hard Skills: Familiar with the following:

Languages: Python, Java, HTML, CSS, C

Integrated Development Environment (IDE): Python 2.7 Idle, Java Eclipse, Virtual Machine, Blue J

Platforms: Linux, Mac OS

Soft Skills

- Excellent Communication
- Strong Leadership
- Effective Time-Management
- Enjoy collaboration
- Creative

RELEVANT COURSES

- Introduction to Programming in Python: Gained proficiency in the design and implementation of programs of significant size and complexity. Consisted of not only learning python but also HMMM (Harvey Mudd Miniature Machine).
- Science Gateway Seminar I: Discussed topics with broad societal impact with important scientific underpinnings. Built a website using HTML as well as CSS design implementation. Visit the website with this link: <http://www.cs.umb.edu/~ashwinic/>
- Science Gateway Seminar II: Currently learning and discussing various facets of information technology and its social implications. Furthering HTML and CSS skills.
- Inter Computing Data Structure: Currently learning proper design principles and advanced programming concepts, including dynamic data structures and recursion in Java.
- Programming in C: Currently covering dynamic data structures, file I/O, separate compilation, program development tools, and debugging.

HONORS AND AWARDS

- Received scholarship to/ attended IDEAS Conference Boston 2016 | IDEAS conference New England 2015
- Insight Optical Community Service Scholarship Award recipient 2016
- "Dick Verzone Tenth Player Award" Recipient 2015-2016 (Tennis) : Given to varsity student athlete who has best demonstrated good Sportsmanship, Determination to improve, strong work ethic, positive team attitude and superlative attendance.

EXTRA-CURRICULAR ACTIVITIES

- Freshman Leadership Institute at UMass Boston (*college*)
- Chair and Co-founder of Humans of BHS (*high school*)
- Vice President and Co-founder of Unicef Burlington (*high school*)
- Science Olympiad BHS (*high school*)

COMMUNITY INVOLVEMENT

- Freshman Leadership Institute Day of Service (*college*) (*participated in day of service*)
- Student Activities and Events UMass Boston (*college*)
